

Attention Medavie Blue Cross Members

DON'T FORGET YOUR CARD!

Please ensure you have your current Medavie Blue Cross card with you to present to the pharmacist the next time you get a prescription filled.

Your pharmacist may need to manually verify your card information including your date of birth.

If you do not have your Medavie Blue Cross card, you may be required to pay for your prescription and submit a claim to Medavie Blue Cross for reimbursement.

For further information please contact:
